

"In the super hero game there's usually one fail-safe technique used to solve problems. Beat the stuffing out of the bad guys. Other times you gotta use your brains. Or lack of 'them " --BOOSTER GOLD He just had his live appearance debut in Smallville, if you can not get enough of the guy in gold here's a few more tidbits about the character. --> Who is BOOSTER GOLD? BOOSTER GOLD is Michael Jon Carter. A promising athlete in the 25th century, but disgraced after betting on and throwing his own games. Unable to get a good paying job, he finds himself as a security officer in a museum showcasing heroes of the 20th century. Planning to change his lot in life, he stole some powerful artifacts in the museum and travelled to the 20th century to become one of the superheroes he saw in the museum. He
