

With \$215 million at the North American box office and \$419 million overseas, Doctor Strange has now earned \$634 million worldwide. That means it has passed Iron Man 2 globally, and it should easily top Thor: The Dark World's \$644 million in the coming weeks. Whether it will be able to beat Captain America: The Winter Soldier (\$714 million) remains to be seen, but this is a pretty amazing result. Going back to this weekend, and Moana - which stars Dwayne Johnson - came out on top with \$28 million. Fantastic Beasts and Where to Find Them was in second place, and has now hit \$600 million worldwide. It may not be a \$1 billion hit like the final Harry Potter movie, but that's a solid start for a franchise Warner Bros. hopes will launch four more sequels. Oh, and Arrival has now hit \$100 million. What did you guys watch this weekend? How high do you think Doctor Strange will ultimately go? As
