

It's official! Joss Whedon & Marvel Studios' global phenomenon has passed the \$1.5 billion mark at the worldwide box office (via BoxOffice.com). The film opened in Japan a couple of weeks ago, which helped its gross, but Disney have also put it in 1700+ theatres this Labor Day weekend in North America. The 4-day domestic estimate for The Avengers this weekend is \$2.2 million, and the domestic gross is now \$620.1 million. Internationally, it grossed \$874 million. New worldwide total for MARVEL'S THE AVENGERS: \$1,501,800,000.— Boxoffice (@Boxoffice) September 2, 2012 Marvel's The Avengers is the highest-grossing film of the year so far, and it's the third biggest film of all time, only behind Avatar and Titanic. The Blu-ray/DVD release of the film is set for September 25th. Marvel Studios presents in association with Paramount Pictures "Marvel's The Avengers"--the super hero team up of a lifetime, featuring iconic Marvel super heroes Iron Man, the
