

The Hollywood Reporter confirms that Men in Black 3 will indeed take the #1 spot at the North American box office this weekend, after taking an impressive \$1.6 million at midnight showings last night. Was this boosted by the promise of a six minute sneak peek of The Amazing Spider-Man? Sony Pictures tells Deadline that they consider this to be, "Good. Expect a big day today, and kids to drive a huge Saturday-Sunday-Monday." Analysts meanwhile are currently predicting a Memorial weekend total of anywhere between \$85M - \$100M domestic and \$200M overseas.
