

According to a source for Deadline The Amazing Spider-Man has debuted with \$35M, but rival studios claim the number is closer to \$32M. Either way it stomps all over Michael Bay's 2007's Transformers, which pulled in \$27.8M to set the record for a Tuesday opening. With the film receiving an 'A-' Cinemascore from audiences (an 'A' from under age 18 moviegoers) the movie should enjoy some good word of mouth. The Amazing Spider-Man stars Andrew Garfield, Emma Stone, Denis Leary, Rhys Ifans, Martin Sheen, and Sally Field, the films swings into theaters July 3, 2012 in 3D!
