

In just 9 more days, The CW will debut it's crime drama Arrow (based off of DC Comics' Green Arrow) and they have released a new featurette giving us an inside look at the creation of Arrow with great behind-the-scenes footage. The cast of the show also gives us the run down on their characters, all of which is viewable below. Arrow will debut on October 10th on The CW, and October 22nd on Sky1 in the UK.
