

In the latest issue of EMPIRE magazine, there is a lot of new info and (probably) images from Dredd, The Amazing Spider-Man and The Dark Knight Rises. I'm guessing that below is a part of the new image of Christian Bale as Batman, and the full reveal is inside the issue. And as they say on their site: "For starters there's Karl Urban as Judge Dredd glowering menacingly into your magazine-buying eyes, flanked on either side by Andrew Garfield's The Amazing Spider-Man and Christian Bale's Batman for The Dark Knight Rises. Not a bad little team, we think you'll agree... Inside the actual issue itself you'll be happy to discover 12 ever-so-very exclusive exclusives, including John Carter, Man Of Steel, The Avengers and Men In Black 3." There you go. Hopefully we will get official pics soon, so stay tuned!
