

Every hero has a journey. Every journey has an end. Christopher Nolan returns to complete the epic Gotham trilogy that launched with Batman Begins and reached the stratosphere with the billion-dollar blockbuster The Dark Knight. Batman is now hunted by the law led by his friend Commisioner Gordon for taking the blame of Harvey Dent's murders and protecting his reputation. He must quickly deal with the arrival of new villain Bane who is bent on the destruction and chaos of Gotham City, face old wounds and get a handle on the enigmatic Selina Kyle before his city is lost for good. Well, it was inevitable really. With many subscribers receiving their copy of Empire in the post today, fans have decided to take some scans of what The Dark Knight Rises goodies it contains. The following come via Facebook's Official 'The Dark Knight Rises' community, although I strongly recommend picking the issue
