

Fangoria have released a brand new teaser poster for Texas Chainsaw 3D (a new title for the film which for some reason has slashed "The" and "Massacre"), a new take on the popular horror series featuring killer Leatherface. Check out the poster down below and stay tuned to CBM for the trailer which should hit soon! Lionsgate's Texas Chainsaw 3D continues the legendary story of the homicidal Sawyer family, picking up where Tobe Hooper's 1974 horror classic left off in Newt, Texas, where for decades people went missing without a trace. The townspeople long suspected the Sawyer family, owners of a local barbeque pit, were somehow responsible. Their suspicions were finally confirmed one hot summer day when a young woman escaped the Sawyer house following the brutal murders of her four friends. Word around the small town quickly spread, and a vigilante mob of enraged locals surrounded the Sawyer stronghold, burning it
