

Found over at the Resident Evil Xtreme fan page on Facebook, a new poster for Resident Evil: Retribution has surfaced. Featuring the franchise's main character, Alice behind an apocalyptic background, check it out! [Thanks to CBM's own Lucas Silva Mendonça (@LucasSMend) for the heads up.] The wildly successful film franchise adaptation that has grossed nearly \$700 million worldwide to the popular video game series, "Resident Evil," returns in its highly anticipated fifth installment, "Re5ident Evil: Retribution" in state-of-the art 3D. The Umbrella Corporation's deadly T-virus continues to ravage the Earth, transforming the global population into legions of the flesh eating Undead. The human race's last and only hope, Alice (Milla Jovovich), awakens in the heart of Umbrella's most clandestine operations facility and unveils more of her mysterious past as she delves further into the complex. Without a safe haven, Alice continues to hunt those responsible for the outbreak; a chase that takes her from
