

Writer and creator of Powers, Brian Michael Bendis, he spoke with Comic Book Resources about the comic coming back from a nearly year-long hiatus this February with issue #8 as well as the status of the pilot with FX. Also, get a first look at some of the new artwork for Powers, The good news was that the pilot was put together. I've seen it and it's not embarrassing on any level. It's very interesting, dense, and complicated like every FX show is. We were tested and the things that you need to continue forward we tested very well with. People liked our lead Jason Patric and the idea of the show. They said they would watch the show. So all of these things did very well. If those things didn't do well we would have been dead. There were a couple areas that we needed to clarify for a mass audience,
