

There have been a fair few announcements made at the Fan Expo in Toronto, the first being that former DC exclusive writer (best known for his work on Vertigo titles DMZ and Northlanders) has signed up with Marvel for what appears to be some sort of Wolverine related project. Also announced, much to the delight of of the Canadian fans in attendance, was that Alpha Flight has been upgraded to an ongoing series. Originally slated to be an 8 issue mini, the current creative team of co-writers Greg Pak and Fred Van Lente plus artist Dale Eaglesham will stay on the series. Remember the somewhat mysterious "DESTROY" teaser released by Marvel last week? Well, 'The Pint O' C.B.' panel revealed exactly what that is. Written by Fred Van Lente, with art by Kyle Hotz, it'll be a five-issue miniseries titled Destroyers this September, starring The Thing, She-Hulk, Karkas, A-Bomb, The Beast and
