

Batman-News has come across the following plot synopsis for The Dark Knight Rises, revealed on FilmCells, the company who have been officially licensed by Warner Bros. to produce products such as the one pictured below. Accompanying the plaque was the following synopsis for the highly anticipated conclusion to Christopher Nolan's final Batman movie. While it's not particularly revealing, it does shed a little more light on what we can expect from the film. When Commissioner Gordon stumbles upon a plot to destroy the city from within, Bruce Wayne gets back into action as the Batman. Waiting for him is the mysterious Selina Kyle and Bane, a lethal adversary on a crusade to tear apart Batmans legacy piece by piece. What do you guys make of this? Sound off with your thoughts in the usual place. STARRING: Christian Bale as Bruce Wayne/Batman Michael Caine as Alfred Gary Oldman as Commissioner Jim Gordon Morgan Freeman as Lucius Fox Tom
