

AVPGalaxy have come across this new viral video and website for Prometheus. Clicking on the image below will take you to "What is 10.11.12?", another mysterious part of their online campaign which appears to contain even more cryptic clues for fans to sift through. Many are already speculating that the date refers to the release of the film on DVD and Blu-ray, but we'll be sure to let you know what (if anything) the site reveals. Be sure to read my 5\* review of Prometheus by clicking [HERE](#) to check it out. In the distant future, two superpowers control Earth and fight each other for all the solar system's natural resources. When one side dispatches a team to a distant planet to terraform it for human colonization, the team discovers an indigenous race of bio-mechanoid killers. Ridley Scott, director of 'Alien' and 'Blade Runner,' returns to the genre he helped define. With
