

• Deleted Scenes and Alternate Takes • Audio Commentaries with Cast and Crew • The Oscorp Archives – Art and Promotional Materials Gallery • Screen Tests • Stunt Rehearsals • Both 3D & 2D versions of the film • Interactive 3D Film School with Director Marc Webb • Collectible Amazing Spider-Man Figurine • Collectible Lizard Figurine Not a bad selection of special features there, although it's worth bearing in mind that these are subject to change, and probably just a very tentative list as of right now (after all, the film hasn't even been in theatres for a month). With any luck, those deleted scenes and alternate takes will deliver "The Untold Story" which we were promised, but didn't make it into the film. There has been speculation that Sony Pictures won't release the scene which features the Lizard murdering Doctor Rath - as pieced together from numerous stills and snippets of footage from the trailers and TV spots -
