

Source: Big Shiny Robot Speaking to Big Shiny Robot, the legendary Bruce Timm shared the following: Q: How involved were you in getting Lauren Faust for Super Best Friends Forever and the Aardman Batman shorts? TIMM: Oh, not at all. Q: Are you going to be working with them at all? TIMM: We've been talking with the producers on the DC Nation doing maybe possibly some stuff for them, but I've got to figure out a way to squeeze it into my schedule. Q: When you're looking for new projects that are within the DC Universe, is it difficult to deal with that wealth of riches that you have to choose from in the source material, or do you have a mental list of things that you say, "I'd really like to go back and do this if they gave me the opportunity." TIMM: It is kind of a broad question, and hopefully I can answer it in
