

Barry's faced off with some monstrous meta-humans in the past, but next week, he's going up against an actual monster, and unfortunately for him, he doesn't have a Megazord in his arsenal. Elsewhere, the hit CW series will finally introduce Caitlin's frosty mother Dr. Tannhauser, played by Susan Walters (The Vampire Diaries), but when the reunion with her daughter goes sideways, it may have disastrous consequences for Caitlin and actually accelerate her transformation into Killer Frost. Check out twelve promotional stills from the episode below:

“Monster” - (8:00-9:00 p.m. ET)
(TV-PG, V) (HDTV) CAITLIN CALLS ON HER MOTHER FOR HELP WITH HER GROWING META POWERS - Desperate to understand what is happening to her, Caitlin (Danielle Panabaker) visits her mother, Dr. Tannhauser (guest star Susan Walters), a renowned biomedical researcher, in the hopes that her mother can provide some answers about Caitlin's growing meta-human powers. However, when Dr. Tannhauser treats her daughter like a test subject, Caitlin grows cold and brings up past
