

Filming may have wrapped up for the day, but yet another set video from The Avengers has found its way online, this time featuring a less action paced, but far more intriguing scene being shot. Both Captain America and Thor look into the sky (more than likely at the rumored spaceship said to be hovering over the city) and actor Chris Hemsworth throws Mjolnir aside presumably in order for it to be replaced with a CGI double, preparing to use the weapon to take flight or throw at the unknown enemy! Jackson as Nick Fury Tom Hiddleston as Loki RELEASE DATE: May 4th, 2012. (US)
