

Talking to Cinema Blend, Captain America: The First Avenger screenwriters Christopher Markus and Stephen McFeely have revealed a few new details about the future of Steve Rogers, as well as finally letting slip exactly what The Avengers writer and director Joss Whedon did when he contributed to the script. Below are just a few brief excerpts from the interview, so be sure to head on over to the site by clicking on the link below to read more. I know when Joss Whedon came on to direct The Avengers, he also contributed a bit to the Captain America script. What exactly did he bring to the table? Christopher Markus: Well basically he just did a read through and continuity pass, just to make sure that his Steve was gonna match up with our Steve so that there wouldn't be this, all of a sudden he's a wise cracking joker in 2012. It was
