

Love or hate him, Donald Trump is going to be the next President of the United States. That's something a lot of celebrities have been weighing in on via their respective social media accounts over the past 24 hours, and as you can see below, the vast majority are not happy that The Apprentice star will soon be one of the most powerful men on the planet (with, well, access to nuclear weapons). Ironically, it seems like the Sentinel of Liberty himself may have summed up the situation best with the Tweets you see below. Joining Captain America: Civil War star Chris Evans were the likes of Ant-Man scribe Adam McKay, Thor: Ragnarok director Taika Waititi, and Captain Marvel, Brie Larson. You can check those out below, and then feel free to - civilly - share your thoughts on this in the usual place. This is an embarrassing night for America. We've let a hatemonger lead our great nation. We've let a bully
