

At this point it looks like promotion for Captain America: The First Avenger and the films Game Stop counterpart Captain America: Super Soldier shows no signs of slowing down (small pun intended). Joe Gibbs Racing talented young star Joey Logano qualified his #20 Captain America: Super Soldier Nationwide series car 3rd (over 128 mph)for today's New England 200 Nationwide race and has a good chance of winning the event. From gojoeylogano.com... While he doesn't call himself a superhero, Joey Logano and the No. 20 GameStop Toyota will have one riding with them this weekend at New Hampshire. Captain America: Super Soldier by Sega will be the featured game this weekend on the GameStop Toyota. Become Captain America, the ultimate Super Soldier, in the darkest days of World War II as you face the Red Skull and his army in this epic third-person action adventure. Wield Captain America's legendary shield to take out multiple
