

If you have been wanting an Officially Licensed Movie Replica of Captain America's First Avenger costume, now is your chance. That is, if you have an extra \$1,300(Canadian currency). That's what it will cost to order one of these 250 limited edition leather suits for yourself. Product Summary from UD Replicas One of the most unique leather uniforms created for the screen can now be yours. Every feature as seen on film in Captain America: The First Avenger has been replicated in form-molded leather from the classic color-scheme to the aluminum accent emblems on the back, arms and forever iconic silver star emblazoned on our hero's chest. Perfectly crafted gloves, boots, functional belt and detailed rigging complete this iconic battle-uniform that captures the retro 1940s Captian America: The First Avenger design. Captain America:The First Avenger Includes: Two Tone Herringbone Pattern on White Leather Sleeves. Two Tone Herringbone Pattern on all Blue Leather. Aluminum Chest and
