

Buena Vista Records have finally revealed details from the soundtrack of Marvel & Joe Johnston's Captain America: The First Avenger flick, via Film Music Reporter. Though with a standard cover, it includes listings for Alan Silvestri's original score, as well an original Star Spangled Man song by Alan Menken and David Zippel, surly for USO sequences. While the listings evidently give an idea of the order of events in the film, check it out below

1. Captain America Main Titles
2. Frozen Wasteland
3. Schmidt's Treasure
4. Farewell to Bucky
5. Hydra Lab
