

Captain America: The First Avenger" will focus on the early days of the Marvel Universe when Steve Rogers (Chris Evans) volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes (Sebastian Stan) and Peggy Carter (Hayley Atwell) to wage war on the evil HYDRA organization, led by the villainous Red Skull (Hugo Weaving.) The following scans were once again taken from Upper Deck's range of Captain America: The First Avenger trading cards. Unfortunately, the fact that some of these are printing plates means that they're not in the quality of color we'd like, but they still offer us a new look at many of the costumes and characters set to feature in the highly anticipated Marvel Studios movie. Below, there are also a handful of non revealing stills. With an all star cast which includes
