

We have heard from some of the other returning cast members, including Ian McKellen and Elija Wood, but Cate Blanchett has been pretty quiet about returning to Middle Earth as the noble (but kinda scary) Galadriel. But now in an interview with Spanish site Milenio, the actress discusses her feelings on reprising the role. She also seems to confirm that Galadriel will indeed appear in the first installment of The Hobbit trilogy - An Unexpected Journey - due out this December.. Milenio: It's been 12 years since you played Galadriel. How did it feel going back to that character and that universe? Cate Blanchett: I'm more mature as an actress; that's what made me want to play her again. Peter called me and thought I might not accept the role. I told him "Are you kidding me? Of course I will!" Galadriel is a special character to me, mythic and fascinating. It was
