

John Arturo - When did you start collecting and how did you get into the hobby? Rusty Shackleford - I started when I was 12 years old. I saw the first Spider-Man movies and was an instant fan. So I went to the nearest store and bought out all of their Spider-man collectible items. John Arturo - It looks like you have a few custom pieces in your collection. Did you do those yourself? Rusty Shackleford - Yes, I always love creating my own custom pieces. I started with Iron Man 2 pieces and can't stop making them. John Arturo - Do you collect anything else? Rusty Shackleford - Yes. I collect weapons and artifacts from around the world. Also replica props and costumes from movies and video games. John Arturo - What is your favorite collectibles company? Rusty Shackleford -
