

John Arturo - When did you start collecting and how did you get into the hobby?

TheRealJuggernaut - I have been collecting comics since I was 11, so around 1993. I went with my cousin to visit a friend of his, and she had comics all over the place. Instant addiction. LOL. That mixed with the 90's X-men Animated Series is what fueled my passion. Started with action figures and comics, then worked my way up through the years. I still have every comic I ever purchased. John Arturo - Obviously Juggernaut holds a special place in your world, what draws you to the character? TheRealJuggernaut - Juggernaut? I am not a fan of The Juggernaut. What would give you that idea. LOL. I wish I knew, from as far as I can remember he has been my Fav. I remember the first comic I saw him in was the mini series Venom:The
