

John Arturo - When did you start collecting and how did you get into the hobby?

WOLVERINEDECADE - I got into collecting comic books when I was in High School. Some of my classmates are FilAms (Filipino-Americans) who collect comic books. That's my first exposure to comic books. By that time, despite my tight budget, I managed to buy comics monthly. The very first comic book that I bought was Wolverine #89, where Wolverine teams-up with Ghost Rider to take down Ogun. John Arturo - I see you have a few Gundams in your collection. Do you custom paint those or just piece together from the box and put on the shelf?

WOLVERINEDECADE - I don't normally custom paint them, I just paint the parts where it is needed, because some stickers won't do any good. The best part of collecting Gundam is putting them together and placing them on the
