

Our round up of some smaller comic, Sci-Fi, Fantasy, Horror, Action and CBM related movie news that may be of interest. The ladies are taking over this edition. First up Michelle Pfeiffer, who gave us a very sexy and memorable Catwoman in Tim Burton's Batman Returns, speaks to MTV about her successor to the role, (we don't count Halle Berry since she played a different character..and sucked) Anne Hathaway. Pfeiffer admits that she has yet to see pictures of Hathaway in the Catwoman costume but reiterates her feelings that she is going to do great things with the role.. Get More: [Movie Trailers](#), [Movies Blog](#) "I was probably the fourth Catwoman so there have been [a few]. Catwoman is iconic, you know. She'll be brilliant in it. I actually really look forward to seeing her. She's so talented. She can do anything, so she'll be fine." Next we have some more set pics
