

Our round up of some smaller comic, Sci-Fi, Fantasy and CBM related movie news that may be of interest. First up is a clip from the brand new Toy Story short called "Small Fry" that will show in front of The Muppets next February. Via HeyUguys And although we have seen most of these images as part of the previously released banner for Brad Bird's new Mission Impossible, here are some individual posters featuring 2 new character pics. Via Impawards.com Christopher Nolan's third and final Batman movie The Dark Knight Rises officially wrapped last night in New York. Nolan shot the movie on three continents but spent a majority of his time in Pittsburgh, Los Angeles and New York City. We have seen a lot (too much for some) of this movie from leaked set pics and now we have that 6 minute prologue to look forward to. Bring it on. And finally
