

Our round up of some smaller comic, Sci-Fi, Fantasy, Action and CBM related movie news that may be of interest. First up Kate Beckinsale speaks to Total Film about returning to the character she has portrayed 3 times already. She also reveals that she has held on to one of those skin tight leather suits for her lucky bastard of a husband.. “Oh, it’s been great, I genuinely thought there wouldn’t be another one. I’m so obedient and gullible and they said it’s always going to be a trilogy, so when people would ask me if I’m doing another I would always say, ‘No, there’s not going to be another. Plus, I was concerned about how a fourth one for me could be interesting, how it could be different – and the storyline they’ve come up with was really interesting to me.” "OK, I kept one of the suits. I did wear it
