

Greetings folks! In our never-ending quest to keep you knuckleheads entertained, we're rolling out a new feature for your entertainment pleasure, CBM Time Capsule. In said feature, we'll be combing through old comic book issues, but not for their storylines or art, for the supplemental content, the promos for upcoming titles, advertisements and column letters. Hopefully you find this sidestep from the usual entertaining, if so, we'll keep it going. [CLICK TO ENLARGE](#)

Swamp Thing #57 by Alan Moore and Rick Veitch As Adam Strange is transported by zeta beam to Rann, his consciousness collides with that of the Swamp Thing who's own consciousness is being transported across The Green. DC being humble about some recent awards. After Frank Miller successfully rebooted Superman and Batman, George Perez was tasked with doing the same for Wonder Woman. Lazer Tag Academy was a Saturday Morning cartoon show that aired on ABC from
