

Channing Tatum is busy doing press work for Haywire, and not so surprising people are asking him about his other movie G.I. Joe Retaliation. After the let down of the other movie Tatum stated in a previous interview he wished they would have just rebooted it completely. In his interview with Crave he was not as gloom on it and is happy to be sharing the work loads with stars such as The Rock and Bruce Willis saying, "I'm very, very happy with the arrangement for sure." He also said that unlike in Haywire don't expect him to get beat up by a girl, "Oh no, there was a French martial artist. I don't know, I've never really seen her fight. I wasn't really in any of the scenes that she was in so I don't really know what her capabilities are. She's insanely beautiful in her movements, just elegant like
