

After taking a trek to Castiel's past, next week's episode will delve into Dean's history, but not in a good way as he's hit by a powerful spell that begins to wipe out everything we know and love about the elder Winchester brother. With time rapidly running out, Sam recruits Rowena to help him hunt down an all-powerful family of witches that hold the key to saving Dean before he becomes a blank slate of a person. Check out the new promo for episode eleven, titled "Regarding Dean," below: "Regarding Dean" - (8:00-9:00 p.m. ET) (TV-14, DLV) (HDTV) DEAN LOSES HIS MEMORY - Sam (Jared Padalecki) enlists Rowena's (guest star Ruth Connell) help to track down an old world, powerful family of witches after Dean (Jensen Ackles) gets hit by a spell that is rapidly erasing his memory. John Badham directed the episode written by Meredith Glynn (#1211). Original airdate 2/9/2017. In the show's eleventh season, Sam and Dean Winchester (Jared Padalecki & Jensen
