

Well, Sam & Dean succeeded in sending Lucifer back to Hell, but they were a bit careless near the end of their mission and ended up getting themselves arrested by the Secret Service, meaning they are now locked away in one of the most impenetrable prisons known to man. Oh and if that wasn't bad enough, the woman (Courtney Ford) carrying Lucifer's demon spawn was able to ditch Castiel, so even when Sam & Dean inevitably get out, they'll have their hands full with an unpredictable force of evil. Luckily, Mama Winchester is on the case, so maybe all hope isn't lost quite just yet. Check out the new promo for episode nine, titled "First Blood," below: "First Blood" - (9:00-10:00 p.m. ET) (TV-14, DLV) (HDTV) Original airdate 01/26/2016. In the show's eleventh season, Sam and Dean Winchester (Jared Padalecki & Jensen Ackles) faced their greatest challenge yet: the all-powerful Darkness, better known as the sister of God. Freed from her prison by Dean, she
