

"Onwards and upwards." Next week, Lucifer has a new vessel and if you don't count Sam Winchester, this one may be his most dangerous yet as it lands him straight into a position at the White House. While, Sam, Dean, Castiel, Crowley, and Rowena scramble to find a way to fight him, the British Men of Letters resurface and throw the entire gang for a major loop. Check out the new promo for the midseason finale, titled "Lotus," below: "Lotus" - (9:00-10:00 p.m. ET) (TV-14, DLV) (HDTV) THE CHASE CONTINUES - Lucifer's search for power and influence in a vessel lands him in the White House. The President of The United States (guest star David Chisum) unknowingly makes a deal with the devil, leading Sam (Jared Padalecki), Dean (Jensen Ackles), Castiel (Misha Collins), Crowley (Mark A. Sheppard) and Rowena (guest star Ruth Connell) to band together to fight the Dark Lord. Directed by Phil Sgriccia the episode was written by Eugenie Ross-Leming and Brad Buckner
