

Lauren Cohan is excellent as Maggie in The Walking Dead, and fans of the comic books will know that there's a lot of great stuff the actress will likely be able to delve into over the next few years. She also made her DC Films Universe debut in Batman v Superman: Dawn of Justice last year as Martha Kent, but was somewhat ironically cast alongside the man who would later play her husband's killer! What's in store for Maggie and Jeffrey Dean Morgan's Negan in The Walking Dead remains to be seen, but we're only weeks away from the show's return. In the meantime, we have a couple of photos from Cohan's recent GQ Mexico photoshoot, and as you can see, these are some pretty great pictures! Hopefully more will follow, but for now, only the cover and one interior spread have surfaced...
