

Filming wrapped up a while ago, but not so much as a single official image has been released from Spider-Man: Homecoming as of yet. We do however have yet another promo poster (via @tomhollandbr) from an Italian VFX event. As you can see, it doesn't reveal much, but we do get another look at Peter Parker fully suited up and clearly ready to leap into action against The Vulture. Sadly, there's still no sign of that villain, but he'll hopefully be included in the first batch of official images from the reboot...whenever they arrive! With rumours pointing to the trailer debuting with Rogue One: A Star Wars Story, that could be sooner rather than later, but we'll have to wait and see. Starring Tom Holland, Michael Keaton, Zendaya, Donald Glover, Jacob Batalon, Laura Harrier, Tony Revolori, Tyne Daly, Bokeem Woodbine, Marisa Tomei, Robert Downey Jr., and almost countless others, Marvel's Spider-Man: Homecoming is directed by Jon Watts and will be released on July 7th, next
