

This weeks rendition of the Weekly Roundup is kind of DC heavy, but for good reasons. From Gotham City Sirens to Power Rangers and much much more. There is plenty of opinions to go around about the epic articles for the week starting on December 12th, 2016. This week we also paid tribute to one of the funniest characters in the CBM community. Check out the video below, let us know what you think or want to see in next weeks episode! Check out the FULL articles!
