

If you've been waiting to see something new from Guy Ritchie's King Arthur: Legend of the Sword, the trailer tease below contains some very interesting new shots from the film. While the first trailer definitely hinted that this take on the classic tale would contain some fantastical elements, fans were still concerned that Ritchie would attempt a more "grounded" version, much like Antoine Fuqua demystified 2004 movie. Though there is a chance that could still be the case, the footage below certainly seems to suggest otherwise. From Nothing Comes a King. A new #KingArthur trailer debuts TOMORROW! pic.twitter.com/ZFiHejPUL6 — King Arthur (@kingarthurmovie) February 19, 2017 The young Arthur runs the back passages of Londonium with his crew, not knowing his royal lineage until he grabs Excalibur. Instantly confronted by the sword's influence, Arthur is forced to make up his mind. Joining the rebellion and an enigmatic young woman named Guinevere, he must learn to address her and eventually understand her magic weapon, deal with
