

Do we really need another trailer for Rogue One: A Star Wars Story? Apparently so! The latest hails from China (probably because it has now been confirmed that it will be released there next January), and as well as spotlighting Donnie Yen in some incredible looking action sequences, we also get plenty of other cool shots as a wave of TIE Fighters head into outer space and the AT-ACT walker's attack. We're now just a week or so away from the release of Rogue One, and it really can't get here soon enough. With any luck, these trailers are do the movie justice and it doesn't end up disappointing. The cast of Rogue One: A Star Wars Story includes Felicity Jones, Mads Mikkelsen, Alan Tudyk, Donnie Yen, Forest Whitaker, Diego Luna, Riz Ahmed, and a number of others, and it's currently set to be released on December 16th, later this year. Let us know your thoughts on this in the usual place.
