

Below you'll find a new trailer for Smurfs: The Lost Village. There's not really a whole to say about that one - if you like The Smurfs, you might like this movie. Far more interesting is Disney/Pixar's first teaser for Cars 3, which opts for an unusually dark/dramatic tone for a film aimed primarily at children. Perhaps this is just building up to a second trailer that'll lighten things up a bit? At any rate, there's some superb animation on display. Have a look, and let us know what you think in the comments section. Smurfs: The Lost Village is set for release on April 7, 2017, while Cars 3 hits theaters on June 15, 2017.
