

Thanks to Just Jared, we have the following photos from the set of Carrie in Toronto, Canada. As you can see, they seem to feature a before and after of the first official still released earlier this week which saw Chloe Moretz covered in blood in a recreation of that iconic scene. Click [HERE](#) to check it out if you missed it. Sissy Spacek (the star of the original 1976 movie) has also been spotted on set, leading to speculation that she will be making a cameo appearance.

The quiet suburb of Chamberlain, Maine is home to the deeply religious and conservative Margaret White and her daughter Carrie. Carrie is a sweet but meek outcast whom Margaret has sheltered from society. Gym teacher Miss Desjardin tries in vain to protect Carrie from local mean girls led by the popular and haughty Chris Hargenson, but only Chris' best friend, Sue Snell,
