

During the Panel for DC Nation at this years San Diego Comic Con reen Lantern The Animated Series had a presence. Some of the highlights from the panel are that you can expect Lanterns Tomar-Re and Ch'p to be making their debuts on the show when it returns this Fall. Also they talked at the panel that there are NO plans to do a crossover episode with the new Batman CGI show Beware The Batman. Check the bullet points from the panel below courtesy of The Blog of Oa.

- Saint Walker will be returning in the second half of the season
- Both Tomar-Re and Ch'p make appearances!
- We'll see the return of the Manhunters, although they don't look too good in the sizzle reel
- As previously reported Deidrich Bader will be voicing Guy Gardner and apparently he has nailed the character
- There are no plans to do a crossover with the new Batman CGI series
