

Thanks to ReallrOnMaN, we now have the Avengers related excerpts from the duos "USA Weekend" interview. Once again, it certainly sounds as if we can expect to see the members of the superhero team come to blows both physically and in terms of personality. Guys, can you spill any details on The Avengers? Chris Evans: It's enormous in scale. You have the meeting of all these superheroes, all these huge personalities and huge abilities coming together. It doesn't gel right away obviously – there has to be conflict, and there's plenty of conflict. It's pretty epic. Chris Hemsworth: I'm extremely excited. I'm such a fan of all those guys and all those characters. Being able to watch them evolve and established already and now throw them all together, it's a better way of doing it than if we'd brought them in together first and then branched off. Whereas this, you can relate to
