

Collider have an interview with Evans in which he discusses various aspects of Captain America: TFA. But of course some Avengers questions sneak in there too. Evans doesn't go into any plot details but once again praises the movie's director Joss Whedon, revealing that he was very impressed by the footage he has seen. He also compliments a couple of his co-stars..

Could you talk a little bit about how The Avengers is going? Can you tell fans what they should be excited about? Evans: It's going great. It's going really well. I mean, Joss (Whedon), I really tip my hat to Joss. He has such a difficult job and every day we come to set and you read how the film is going to be shot or a scene is going to be shot but you don't know what he's going to do with the camera and then he'll open up.
