The same site who posted the three images that DCMarvelFreshman posted just a few minutes ago, have also revealed a portion of their interview with star Chris Evans where he reveals that it's six movies that he's signed on for. Three Captain America's and three lots of The Avengers! As always, thanks to ReallrOnMaN for the heads up! Chris Evans and his contract with Marvel, "To be honest it was quite intimidating and scary to commit to nine films in a row. God thank you, we reduced the number to six [3 Captain America, Avengers 3] ... (...) If all goes as planned, I embody Captain America until I was 40 years. . Kevin Feige on The Avengers: he says he saw the preview of the first big action scene of the film, and is, in his words "phenomenal" Captain America: The First Avenger is set to be released in 3D on July 22,
