

Captain America: The First Avenger" will focus on the early days of the Marvel Universe when Steve Rogers (Chris Evans) volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes (Sebastian Stan) and Peggy Carter (Hayley Atwell) to wage war on the evil HYDRA organization, led by the villainous Red Skull (Hugo Weaving.) "Well we did sign a six picture thing, so there's potentially three Captain America's and three Avengers. We're about to start The Avengers on Monday. That's the next thing. Then we'll see how Captain America does in July and if does well, I'll be back for round two." "Yeah, they are working on the next script. It doesn't cost them too much to start working on the script, just to get prepared. If the movie bombs, you know..." "It's gonna be tough. The good
