

MTV News caught up with Chris Hemsworth at last weeks CinemaCon to discuss the upcoming Marvel movie Thor. The actor had some interesting things to say about which sequences from the film were his favorite. "I shot 'Thor' a year ago, was cast six months before that, so it's been a long time of anticipation, but it's all heating up and we're very excited," Hemsworth seemingly enjoyed the Earth bound sequences the most.. "The stuff you see in the trailers with Natalie Portman, there's a real sense of humor to it, which I don't think we expected at the time," he said. "Thor is a real fish-out-of-water, and I'd actually just come from shooting the stuff in the other realm or world that we were in, with Anthony Hopkins and big elaborate set pieces and costumes, and he's fantastic and it was all wonderful, and then come to do the Earth stuff with
