

Rumour has it that we'll see the Enchantress in Thor 2 alongside the villain being played by Mads Mikkelsen. In fact, whenever there's any mention of this particular female villain, it doesn't take long for Charlize Theron's name to crop up; something that the God of Thunder himself addresses in the below video interview. Enchantress is an Asgardian goddess who is extremely experienced in the use of magic and is also skilled at seduction through supernatural means. She has been both an ally and an enemy to Thor, although she often chooses the latter. [Comic Vine] "I don't know much at all but it sounds interesting," Chris Hemsworth told MTV Splash Page when asked for his thoughts on the recent Enchantress rumours. "I'm not playing the usual, sidestepping that we normally have to do, I haven't read a script. They have a bunch of different ideas, but that sounds interesting." After
